4 TEMPLATES FOR
WEDDING INVITATION WORDING

WHAT TO INCLUDE:

1. WHO IS HOSTING

If your parents are throwing the party, it's customary to include their names at the beginning of the invite. If you and your fiancé are paying for everything yourselves, many couples will omit this part.

2. YOUR NAMES

You can decide if you want first names only, first and last, or first, middle, and last.

3. A REQUEST LINE

This is the part to specify that your guest is invited and you want them to come party with you! Something like "Join us for..." or "Request the honor of your presence..."

4. DATE + TIME

Pretty straightforward here :)

5. LOCATION

Let your guests know where to go! Some couples choose to omit the address here for a cleaner visual design, but note this only makes sense when the venue is easy to find or very well known. If your venue is hard to google, make sure to include an exact address for your guests.

6. RECEPTION DETAIL

Something like "Reception to follow" or "Dinner and Dancing to follow" will let your guests know what to expect for the evening
