MEET THE ARTISTS

COURTNEY

Hi, I'm Courtney! I'm the CEO + Creative Director of Spindles Design Co. I'm a watercolor artist who loves color and unexpected details! As a self-proclaimed "Maximalist", I love working with couples who want alllllll the details and designs that are over-the-top in the best way. My style is a little bit boho, a bit eclectic, and always focused on YOU. I've worked with celebrities and high profile clients, and my work has been featured in several magazines and wedding publications, including Vogue.com.

RAQUEL

Hi, I'm Raquel! My style is earthy minimal, and all about texture! I'm inspired by fibers and paper combinations, and focus on clean, sophisticated bohemian designs. I love mixing different fonts and simple illustrations to create elegant and effortlessly cool invitations! As a Virgo, I make sure every detail of your invitation is perfect, from creating a design you love, to precisely packaging each invitation for your guests.

JORDAN

Hi I'm Jordan! My work is centered around deep and dreamy colors, exaggerated proportions, and turning feelings into shapes. I have a lighthearted approach to design, and believe your wedding should be as fun as you are! When I'm illustrating, I'm usually drinking coffee all day long with my dog, Danger, and listening to true crime podcasts.

MORGAN

Hi, I'm Morgan! I'm a watercolor artist specializing in light and romantic wedding invitations. I love to tell your love story through detailed artwork and classic design elements. My invitations are specially curated for the couple who loves a traditional wedding feel with a touch of delicate whimsy!
